# All in **3** easy steps

## 1 BOOK YOUR RANDOX

Select a date and time to suit you.

Freephone: 0800 2545 130

Email: [info@radoxhealthni.com](mailto:info@radoxhealthni.com)

Online: [radoxhealth.com](http://radoxhealth.com)

The Radox team of personal coordinators are here to help you.

## 2 ATTEND YOUR APPOINTMENT

Starting your Preventive Health Programme is simple, all you need is 30 minutes to attend your Radox appointment.

After completing a short set of questions, your measurements, blood and urine sample will be taken.

You can then sit back and relax while you wait for your results.

## 3 SECURE YOUR FUTURE HEALTH

Your Radox Personal Health Plan will be ready for you within 10 days and provides all you need to understand your private Biomarker results. This includes a personalised action plan, complete with your next steps, repeat tests and timelines for your private consultations\*.

THE ULTIMATE WAY TO GAIN COMPLETE PEACE OF MIND AND SECURE YOUR FUTURE HEALTH.

## THIS HIGHLY ANTICIPATED SERVICE USES A SAMPLE OF YOUR BLOOD TO MEASURE HUNDREDS OF YOUR BIOMARKERS.

Your biomarkers display the real time workings of your body, with hundreds of specific results that paint a very detailed picture of current health and how it is influencing your future wellbeing.

Every body has different strengths, weaknesses and personal variances revealed by their biomarkers, everybody has the ability to change their biomarkers with time and ultimately master their health.

\*Signature client benefit from additional private GP consultations at the 10 day mark when there results are ready. With a more extensive health plan to follow.
